FOAM BLIZZARD™

FOAM CANNON & FOAM CANNON PRODUCTS

Soak your ride in a thick layer of foam to ensure that all the grime, bugs, dirt, salt, dust and other contaminants from the road are loose before you try to wipe them off.

- EASY TO USE - just fill bottle with 30 oz. (950 mL) water, then add 2 oz. (50 mL) Gliptone Foam Blizzard® Soap, click on to your existing pressure washer lance or trigger, adjust the knob for your desired foam level, and spray!

Adapters

Foam Cannon Adapter Complet Kit GT44404

- 1/4" QC nipple inlet for easy connection
- Heavy Duty Premium Brass Components

Foam Blizzard™ Foam Cannon Soap

GT44416 - 16 oz.

Highly concentrated Gliptone Foam Blizzard™ Foam Cannon Soap is extreme foaming, coating and wax safe foam cannon soap. Safely emulsifies grease and oil deposits, floating dirt away from paint with special lubricants to prevent scratching.

Foam Blizzard Plus™ Foam Cannon Soap

GT44616 - 16 oz.

Highly concentrated Gliptone Foam Blizzard Plus™ Cannon Soap with gloss enhancer dispenses a uniform "frothy" layer of foam that is safe on all painted, glass and plastic trim surfaces. Also safe for use on coated and waxed surfaces.

Blizzard Shield™ Foam Cannon Protectant

GT44516 - 16 oz.

Gliptone Blizzard® Shield blasts a pleasant scented mild froth that enhances gloss and speeds up the drying process. BLIZZARD SHIELD® leaves residual, lasting protection on all hard surfaces that makes it a desirable follow up step for every type of maintenance wash. BLIZZARD SHIELD® is safe for all surfaces including ceramic coated and waxed finishes.
