

ULTIMATE PAINT PROTECTION

Certified Application Center Program

We invite premier companies to apply to join our growing team of Authorized Application Centers. Our program comes with the prestige of being recognized as an elite in our industry and the security of knowing you are backed by a 70+ year old company. The GT Quartz Nano Ceramic Coating program includes many advantages, such as digital marketing programs, comprehensive training, ongoing technical and business support, quality products and so much more.

As partners, we will work together and grow together; your success will always define our success.

Authorized Application Center Locator

Your shop will be listed on our AAC locator map accessible from our website. Customer leads will be referred to you along with promoting your shop on our Facebook and Instagram platforms.

GT Quartz Ceramic Coatings has partnered with CARFAX. Each time a car is coated with our GT Quartz Coatings, the warranty is entered in their system increasing the resale value of the vehicle!

We offer a variety of wall art and menu boards professionally printed on clear acrylic to decorate your showroom. We also offer lighted glass display cabinets to feature the products along with props.
