NANO CERAMIC COATINGS

## PRODUCT CATALOG

By Gliptone®  
Since 1947

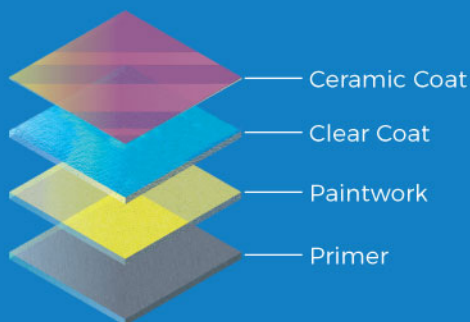

# Family of Products

## Technology

GT Quartz® Nano Ceramic Coatings are based on Nano technology, simply stated very small particles. To be exact, 1 billionth of a meter or smaller. Made from a base of Polysilazane which has been uniquely synthesized to form the strongest, clearest and glossiest layer of  $\text{SiO}_2$  Available in todays coatings market. Silicon Dioxide is most commonly found in nature as Quartz. GT Quartz creates a molecular or (covalent) bond with the applied surface. The fact that it has been made in Nano scale allows it to fill in the microscopic pores in your factory clear coat. What does all this mean? It means Nano ceramic coatings create a strong protective surface that is semi-permanent, super hydrophobic and glossy.

# History

Trusted since 1947, Gliptone, Inc., the innovator of GT Quartz™, has offered a full line of premium automotive reconditioning products. Under the leadership of Rocco Caporaso, the brand has grown into a worldwide leader of product formulations. The Gliptone team maintains a passion to elevate the reconditioning industry to new heights. Gliptone has utilized the latest technologies in developing the GT Quartz™ line of ceramic coatings, along with a supportive program to ensure the success of every GT Quartz™ Authorized Application Center.

# GT Quartz™ Select

The Nano Ceramic paint coating provides protection for up to three years. GT Quartz Select proves itself to be resistant to road salts, while providing protection from dirt, tar, bugs and bird droppings.

**GT4050**

**Size:** 50ml

**Warranty:** 1-3 Years

# GT Quartz™ Professional

An advanced Nano Ceramic Coating for painted surfaces that provides seven years of protection. The 9H hardness proves to be extremely durable, while providing all benefits of GT Quartz Select. GT Quartz Professional is available to Authorized Application Centers.

**GT6050**

**Size:** 50ml

**Warranty:** 3-7 Years

# GT Quartz™ Titanium - 2 Steps

GT Quartz Titanium is our ultimate paint coating. Enriched with titanium, a strong, crystal-like 9H+ hardness is created. The titanium formula provides the highest amount of resistance and protection from everyday elements, while offering the deepest depth of gloss. This Nano Ceramic Coating is only available at our elite Gliptone Authorized Application Centers.

**GT8050-1 & GT8050-2**    **Size:** 50ml    **Warranty:** Limited Lifetime

# GT Quartz™ Total Protection

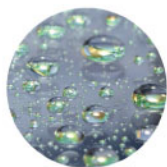

GT Quartz Total Protection features the complete range of Nano Ceramic Coatings for all the surfaces of your vehicle. This kit includes GT Quartz Titanium, GT Quartz Wheels/Rims, GT Quartz Glass, GT Quartz Vinyl-Plastic-Trim & GT Quartz Leather (2 pcs.). This kit is packaged in an luxurious attractive display box and includes a collectible lead crystal engraved paper weight along with applicator cloths. The GT Quartz Total Protection kit is only available at our elite Gliptone Authorized Application Centers.

**GT80531**

## GT Quartz™ Glass

When applied, the coating creates a hydrophobic surface causing water to bead. The water beads easily roll off, improving visibility. Grime, dirt and ice will no longer stick to the windshield and windows, keeping the glass clean longer.

**GT5050**

**Size: 50ml**

## GT Quartz™ Rims/Wheels

Coating will keep rims/wheels clean and looking newer for longer, while preventing road film and brake dust from permanently bonding to the surface. Like the Nano Ceramic Paint Coatings, the water beads off giving it self-cleaning properties taking dirt with it, creating a self-cleaning effect. GT Quartz Rims/Wheels is safe to use on brake calipers to keep your entire wheel looking its best.

**GT3550**

**Size: 50ml**

## GT Quartz<sup>TM</sup> Leather

A protective coating that will keep leather clean longer, by reducing the amount of grime and dirt that becomes embedded in the leather. The hydrophobic surface created by the coating allows liquid spills to bead up resulting in an easier clean-up. The UV protection helps to prevent fading. This advanced formula also keeps leather soft, and supple, with virtually no change in surface color.

**GT1650**    **Size:** 50ml    **Warranty:** 1-2 Years

## GT Quartz<sup>TM</sup> Vinyl-Plastic-Trim

Prevents fading and discoloration on all vinyl and plastic exterior surfaces. GT Quartz Vinyl-Plastic-Trim protects from UV rays and also causes the water to bead off, providing self-cleaning abilities. Also very effective on interior vinyl and plastic surfaces.

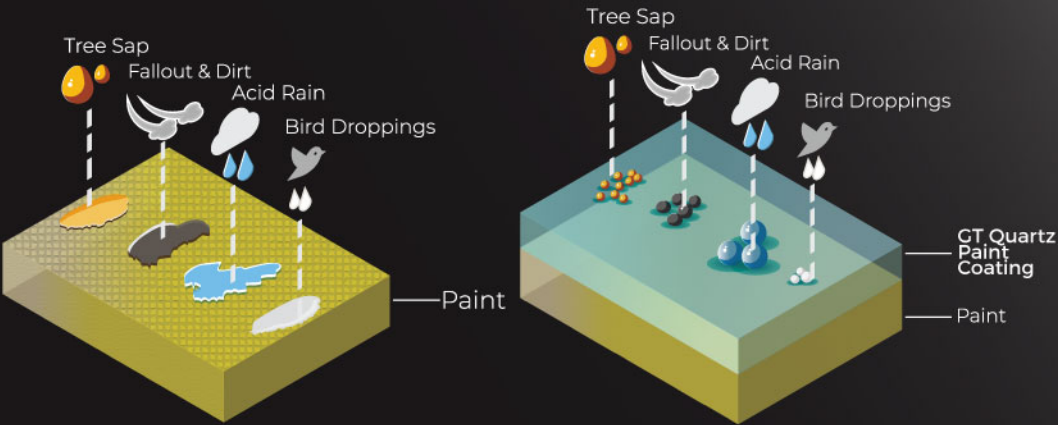

**GT4350**    **Size:** 50ml

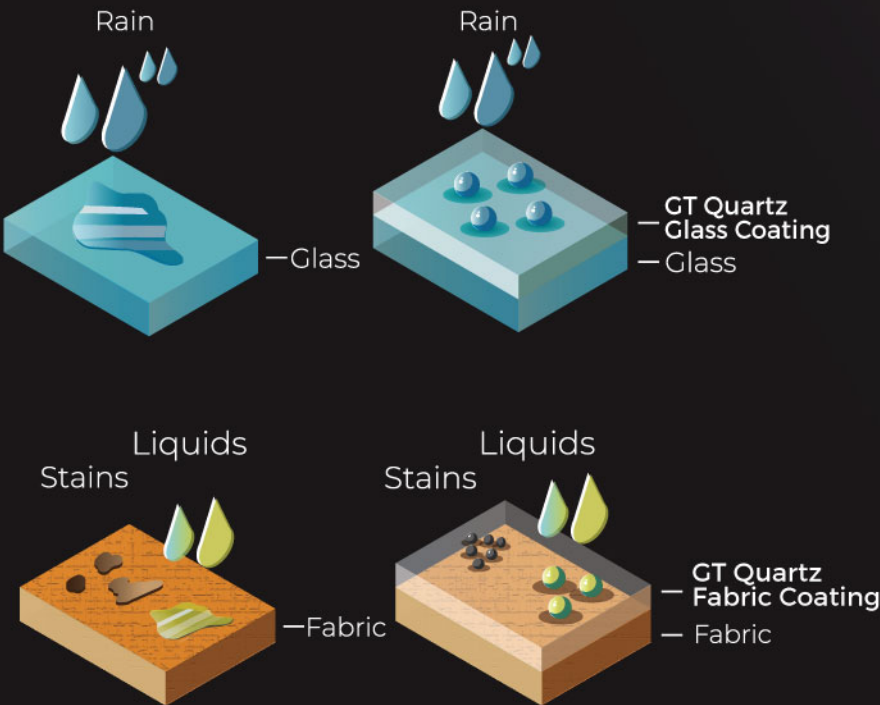

# Paint in Microscopic View

Nano Ceramic Coatings fill in the microscopic pores on a vehicle's surface which can hold contaminants such as water, dust, oil, road salt and other minerals.

*GT Quartz™ Nano Ceramic Coatings are also available for Marine, RV & Aviation applications.*

Part of the  
GT Quartz™  
"Refresh  
Program"

**GT Extender, 16 oz. GT4216 • 1 gal. - GT4201**

Best when used immediately following the **Precision Clenz™ Decontamination Wash Process**. Helps extend the life expectancy of the existing coating and restores the hydrophobic effects back to its original level. Formulated to contribute  $\text{SiO}_2$  nano material to the existing coated surface, making it the perfect product for a vehicle refresh. This formula is not intended to be used in place of a GT Quartz Coating product and offered as a "warrantable" product or service; However can be used on non-coated or previously waxed surfaces as a stand-alone gloss enhancer and protectant.

**Ceramic Gloss™, 16 oz. - GT2416 • 64 oz. - GT2464**

Gliptone's CERAMIC GLOSS™ is a super-hydrophobic and durable  $\text{SiO}_2$  surface coating. A simple spray and wipe application provides mild cleaning action, and extreme gloss while creating a super slick, long lasting ceramic coating with a barrier resistant to debris and the elements.

**Textile Defender™, 16 oz. - GT74016 • 64 oz. - GT74064**

High quality nano ceramic coating for all fabric, upholstery, carpets and soft-top/cabriolet roof materials. Also excellent for clothing, shoes, gloves, furniture and much more! Provides maximum protection from UV damage, wear and spills for up to 12 months. The hydrophobic effect will not allow liquids to absorb into the surface, making clean-up easy. (Not for use on suede or leather)

**Fabric Guard, 1 gal. - GT73901**

A solvent based, deep penetrating protectant that evaporates quickly leaving an invisible barrier. Use to treat old or new fabric, upholstery and carpeting. Helps with clean up and lengthens fabric life.

PRECISION CLENZ™  
DECONTAMINATION WASH SYSTEM

28 PC. KIT - PART #GT77728

Gliptone® has engineered and introduced a Patent Pending system that takes a very serious and scientific approach to deep cleansing the vehicle by removing every type of pollutant, grime and contamination in a manner that is fast, efficient and cost effective. A manner that is safe for all automobile surfaces, safe for the technician and safe for our environment!

PATENT PENDING

Qty	Item Number	Description
1	GT17001	PRECISION CLENZ® TIRE & RIM, Non-Acid, 30:1 Concentrate Cleaner , Gal.
1	GT42201	PRECISION CLENZ® LOW PH-PREP WASH, Lemon Scent, High Foam, Gal.
1	GT43701	PRECISION CLENZ® HIGH PH-PREP WASH, Cherry Scent, High Foam, Gal.
1	GT16932	GT IRON EATER®, 32 Oz. Spray
1	GT16901	GT IRON EATER®, 1 Gal. Refill
1	GT72201	BODY LUBE - SILICONE FREE Clay L ubricant and Detailer, 1 Gal.
1	GT71220	BODY BAR®, 2-P ACK (220 grams)

BUCKETS WITH LABELS (NO LIDS)

1	GT17050	BUCKET, 5-GALL ON BLACK, Empty labeled, 'Precision Clenz Tire/Rim'
1	GT43750	BUCKET, 5-GALL ON BLUE, Empty, Labeled, 'Precision Clenz HIGH pH'
1	GT42250	BUCKET, 5-GALL ON YELLOW, Empty, Label, 'Precision Clenz LOW pH'
1	GT77750	BUCKET, 5-GALL ON GREEN,Empty, Labeled, 'NEUTRAL RINSE'
1	GT16950	BUCKET, 5-GALL ON PURPLE, Empty, Labeled, 'GT IRON EATER'
5	GT9501	BLUE GRIT GUARD

SOFTOUCH® MICROFIBER WASH PAD, 10"X10"

2	GT42200	SOFTOUCH® YELLOW MICROFIBER WASH PAD, 10"X10"
2	GT43700	SOFTOUCH® BLUE MICROFIBER WASH PAD, 10"X10"
2	GT17000	SOFTOUCH® BLACK MICROFIBER WASH PAD, 10"X10"
2	GT77700	SOFTOUCH® GREEN MICROFIBER WASH PAD, 10"X10"
2	GT16900	SOFTOUCH® PURPLE MICROFIBER WASH PAD, 10"X10"
1	GT77056	Procedural flow chart on weather resistant vinyl w/grommets, 30" x 41"

Each **GLIPTONE® PRECISION CLENZ™** product can be used as an independent cleaner or as part of **Gliptone's** recommended **PRECISION CLENZ DECONTAMINATION WASH SYSTEM™** - Patent Pending.

Scan for Precision Clenz Wash System™ Brochure

### **Precision Clenz™ Tire & Rim Cleaner Concentrate**

• Non-acid • Dilutes 20:1 to 30:1  
**GT17001 - 1 gal. • GT17005 - 5 Gal. • GT17055 - 55 gal.**

A premium quality, safe, effective and highly diluteable tire and wheel cleaner. Features a buffered high pH cleaning action which is extremely effective at removing grease, dirt and debris from rubber tires, rims and fender wells **WITHOUT SCRUBBING**. Also very impressive as a 'stand alone' tire cleaner and tar remover.

### **Precision Clenz™ High pH Prep Wash / Concentrate** **GT43701 - 1 Gal. • GT43705 - 5 Gal. • GT43755 - 55 gal.**

High foaming cleaner that effectively removes grease, road film and tar, automobile exhaust (hydrocarbon pollutants), tree sap, bird droppings and bug residue. This formula is a 'NO SCRUB', 'TOUCHLESS' solution for deep cleaning without friction to reduce or eliminate the risk of scratching from contaminated wash mitts, brushes or sponges. Recommended for use with **Gliptone BLIZZARD MAKER®** Foam Cannon but also effective when using a 'bucket wash' process.

### **Precision Clenz™ Low pH Prep Wash / Concentrate** **GT42201 - 1 Gal. • GT42205 - 5 gal. • GT42255 - 55 gal.**

High foaming cleaner containing a unique blend of buffered acids that effectively eliminate mineral deposits (mild water spots) alkaline film and scale from: glass including windshield 'eyebrows', chrome, hard plastic and painted surfaces. Neutralizes high pH detergent residue, promoting a cleaner rinse. A cost-effective "TOUCHLESS" solution for effectively removing contaminants without friction, reducing the risk of scratching. Use with **Gliptone BLIZZARD MAKER®** Foam Cannon or with a basic 'bucket wash' process.

### **Iron Eater, 32 oz. - GT16932**

**1 gal. - GT16901, 5 gal. - GT16905**

pH Neutral ferrous metal remover. For use on paint, rims, or any exterior surface to receive coating. Functions as rim/wheel cleaner and a surface contaminant remover.

**Body Lube™, 1 gal. - GT72201,  
5 gal. - GT72205, 55 gal. - GT72255**  
Silicone free clay lubricant  
and detailing spray.

**Spot Chek, Quart - GT74532, 1 gal. - GT74501**  
Buffered low pH hard water stain and  
spot mark remover. For use on glass and  
painted surfaces.

**Ultra Cleaner, 1 gal. - GT13801,  
5 gal. - GT13805, 55 gal. - GT13855**

Multi-purpose cleaning solution for all exterior  
and interior cleaning applications. This is a safe  
“no choking”, non caustic formula. Dilutions  
starting at 10:1 for interiors and 4:1 for exteriors.

**Bubbles, 1 gal. - GT43001,  
5 gal. - GT43005, 55 gal. - GT43055**  
pH Neutral high foaming car wash.

### **Body Bar**

**GT71220 - 2 pack, GT71110 - single pack**

Removes surface contaminants such as: paint overspray, raildust, bug residue and various airborne pollutants from vehicle surfaces, while creating an ultra smooth and clean surface.

### **Body Prep Disc,**

**Blue Fine - GT71280 • Yellow Medium - GT71270**

Works like the Gliptone® Body Bar® to quickly and easily remove above-the-surface-contaminants such as rail dust, hardened tar and sap, bug residue and paint overspray. 6" velcro backing to grip backing plate.

### **BODY PREP MITT**

**Blue - Fine GT71286**

**• Yellow - Medium GT71276**

Works like the Gliptone Body Bar (Clay-type-product) to quickly and easily remove "above-the-surface-contaminants" such as: Scuffs, Rail Dust, Bug Residue, Water Spots, Paint Overspray, Hardened Tar and Sap. Glides on and off easily for slick finish. Measures 6" x 8.7" Lasts up to 4 times longer then clay bars. Use with Gliptone® Body Lube as lubricant.

### WHEEL WOOLS 5 pcs. Wheel Brush Assortment - GT92005

Gliptone Wheel Wool Brush Assortment is excellent for removing road grime and brake dust. Safe for all style wheels they are 100% metal free. The absorbent synthetic wool microfiber is dense enough to avoid wheel cleaning splatter. This kit contains the ideal assortment of brushes to handle all your wheel cleaning requirements. Also available for individual purchase see item numbers on picture.

### Glipscrub® Sponges - GT91012

Removes dirt, oxidation and debris from wide variety of surfaces. Mostly used to restore faded rubber automobile trim, interior door panels and aid in glass cleaning.  
12 sponges/sleeve, 24 sleeves/case

### Softouch® Wash Mitt - GT560

10" w x 11" h (25.4 cm x 27.94 cm)

- Machine washable
- Super Soft Chenille
- Excellent cleaning action
- Leaves no lint, streaking or smearing
- Safe to use on all delicate surfaces

### Softouch® Microfiber Wash Pads GT42200 (yellow), GT43700 (blue), GT17000 (black), GT77700 (green), GT16900 (purple)

Dual-sided microfiber pads have hundreds of extra soft & absorbent fibers. Multiple colors allow for specific uses on vehicle.  
10" x 10" - 25.54 x 25.54 cm  
1pc./bag, 36 pcs./case

### **Foam Blizzard™ Gun "Blizzard Maker" GT44400**

Heavy duty brass components  
Variable, adjustable spray nozzle  
1/4" QC nipple inlet for easy connection

### **Universal adapter kit GT44404**

Sold separately

### **Grit Guard 2 Bucket Wash System**

- Prevent scratches with the 2 bucket wash system
- Both buckets contain a Grit Guard to trap the harmful particles at the bottom

**GT95116 Blue, GT95117 Red**

**GT9501 Blue Grit Guard insert only**

**GT9502 Red Grit Guard insert only**

Wash system includes: 2 buckets with Gliptone logo,  
2 Gamma Seal Lids & 2 Grit Guards

**Bucket Dollies** sold separately:

**Blue Dolly GT9507 • Red Dolly GT9508**

**GT43750**

**GT42250**

**GT16950**

**GT17050**

**GT77750**

### **Precision Clenz™ Wash Buckets**

5-GALLON, Empty labeled buckets part of the **Precision Clenz™** Decontamination Wash System

- Improved process quality and efficiency
- Improved shop image and customer perception

### **Bucket Dolly**

**Red - GT9508 • Blue - GT9507  
Black - GT9506**

Features 5 heavy-duty urethane casters that last longer and roll smoothly over cracks.

### **Gamma Seal Lid**

**Blue - GT43758 • Black - GT17058**

**Yellow GT42258 • Green - GT77758 • Purple - GT16958**

Lid provides a water tight seal by using a snug fitting outer ring that snaps onto the top lip of the bucket. A unique screw on lid threads into the outer ring for a secure water tight seal.

## GLIPTONE® — ASSOCIATED SUPPORT PRODUCTS

Gliptone® is far more than just a coating company. Since our start in 1947, Gliptone has prided itself on formulating, manufacturing and distributing the finest range of automotive and marine waxes, polishes, soap's and cleaners. For the past 25+ years our focus and expertise has also contributed to the automated car wash industry with our 'Tunnel Solutions™' products. This history and passion for perfection makes Gliptone uniquely qualified to supply you a full range of coating related, support products.

We are relentlessly committed to making only the finest products to meet the most demanding expectations. Gliptone rigorously tests all our products under the most extreme conditions to ensure our products will perform exceptionally.

*For a complete list of the Gliptone products please visit [gliptone.com](http://gliptone.com) or call 631.285.7250.*

*The following pages represent only the limited range of the Gliptone product line, recommended for proper preparation, application and maintenance, of GT Quartz™ nano ceramic coatings. For more information on the full range of Gliptone products, refer to [gliptone.com](http://gliptone.com) website or the complete Gliptone catalog product offering.*

*The Finest Professional Car Care Products Made*

TRY IT ONCE...  
USE IT FOREVER™

**Dust Off (4:1), 1 gal. - GT16001,  
5 gal. - GT16005, 55 gal. - GT16055**

High pH brake dust and dirt remover. Cleans tires and rims.

**Magtastik Plus w/Rimguard 1 gal. - GT15001,  
5 gal. - 15005, 55 gal. - GT15055**

A highly effective wheel cleaner that safely and effectively removes brake dust, road film, dirt and rust without brushing. This unique, non-hydrofluoric acid version of our original MAGTASTIK formula, adds lasting protection and makes wheels shine like new. Spray on, rinse off. No scrubbing! Pleasant scent. Not for use on uncoated, polished aluminum.

**Glass Cleaner with Static X™,  
22 oz. - GT16422, 1 gal. - GT16401,  
5 gal. - GT16405, 55 gal. - GT16455**

Streak free, ready-to-use glass cleaner with anti-static properties to repel dust after cleaning.

**Bio-Zyme, 1 gal. - GT12501,  
5 gal. - GT12505, 55 gal. - GT12555**

Enzyme-based cleaner and deodorizer, excellent as a pre-spot for wide range of pet, food and drink stains.

**Foam Blizzard™ Soap,**  
16 oz. GT44416, 1 gal. GT44401, 5 gal. GT44405  
pH Neutral high foaming car wash detergent

**Blizzard Shield™ Foaming Surface Protection,**  
16 oz. GT44516, 1 gal. GT44501, 5 gal. GT44505  
pH Neutral high foaming car wash detergent with gloss enhancer

**Foam Blizzard™ Plus Soap,**  
16 oz. GT44616, 1 gal. GT44601, 5 gal. GT44605  
Enhances gloss, ultra concentrated, accelerates drying time

**Static-X, 32 oz. - GT19032,**  
**1 gal. - GT19001, 5 gal. - GT19005**

Specialized pre treatment agent that breaks static bond of hair, lint, and dust, making cleaning process of pet hair much easier.

**Sap Off, 22 oz. - GT16222**  
**1 gal. - GT16201**

Efficient sap and tar remover. Strong on sap; gentle on paint, glass and plastic.

**GT Surface Clenz, 32 oz. - GT19532**  
**1 gal. - GT19501, 5 gal. - GT19505**

pH Neutral, non-abrasive deep cleansing, water base solution for removing wax and silicones. Pre-coating prep formula. IPA-Free solution.

**Foamy Heavy Duty Shampoo,**  
**1 gal. - GT40801, 5 gal. - GT40805, 55 gal. - GT40855**  
Rich lathering, highly concentrated detergent with great grease cutting and dirt lifting power. Serves interior and exterior applications.

**Mighty Blue - 1 gal. - GT41237**  
Carpet extractor liquid concentrate. Quickly penetrates oil, grease and heavy soil. Dissolves easily and rinses free, helping to prevent resoiling.

**Leather Cleaner - 32 oz. -GT1232, 1 gal. - GT1201**  
pH neutral formula safely and effectively cleans fine leather without removing the natural oils that keeps leather soft and supple.

**Leather Conditioner - 32 oz. -GT1132, 1 gal. - GT1101**  
Specially formulated to preserve the unique, natural qualities and beauty of fine leather. Breathes new life and resilience into neglected leather restoring life and luster. Requires no vigorous rubbing.

\*Independent Survey Conducted by  Magazine

**Glipstik® - GT71181**  
Removes pen, ink scuff marks, crayons, makeup and more. Will not damage leather surfaces. Works instantly.

**GT Quartz Foam Block  
Applicators w/slits, GT90332**  
12/Bag

**GT Quartz Suede  
Microfiber cloths, GT90336**  
4" x 4" - 10 x 10 cm, 24/Bag

**Softouch® Coating Microfiber Towels,  
GT76666**

Ultra soft texture, streak-free and lint-free.  
Ideal cloth for removing coating and polish  
from any paint surface.

16" x 16" - 40.6 x 40.6 cm, 12/bag

**Softouch® Ultra Plush "Edgeless"  
Microfiber Dusting, Polishing,  
Drying Towels, GT81616**

16" x 16" - 40.64 x 40.64 cm, 12/bag

**Softouch® Ultra Plush "Edgeless"  
Super Size Microfiber Dusting,  
Drying Towels, GT82426**

24" x 36" - 60.96 x 66.04 cm, 1 pc./bag

**Softouch® "Terry Style" Microfiber, GT71616**

Ultra soft texture, streak-free and lint-free qualities make it the ideal cloth for polishing and buffing any paint surface. 16" x 16" - 40.6 x 40.6 cm, 12/bag

**Softouch® Heavy Duty Waffle, GT72414**

Super strong, lint free and streak free. Excellent for glass/windows, interior cleaning applications and even drying. 14" x 24" - 35.5 x 61 cm, 10/bag

**Softouch® Dual-sided Drying Towel, GT71825-12B (blue), GT71825-12A (grey)**

Heavy weight, soft, absorbent, and longer lasting. Dual sided with a tall pile side for drying and a low pile side for wax, polish and coating removal.

18" x 25" - 45.7 x 63.5 cm 12/bag

**Phase One Plus, 1 gal. - GT42701, 5 gal. GT42705, 55 gal. - GT42755**

**MICROFIBER SAFE.** concentrated and highly effective laundry soap enhanced with hydrogen peroxide. The addition of hydrogen peroxide helps prevent unpleasant musty odors on damp towels.

**Leather Cleaning Brush, GT92550**

Brush, Hardwood Eco Hand brush with "GLIPTONE" engraved logo.

**Detail Brush White Boar Hair, GT92700**  
1" Round Interior

**Horsehair Brush 1-1/2" Part #65HH**

Excellent option for use with Gliptone Leather Cleaner on leather and vinyl upholstery.

**Long handle brush, 43PL**  
Green soft flagged tip bristle.

**Toothbrush Style Dual End Brush, Part #291**

Multi-purpose brush with short, tight bristles on one end for those truly hard to reach areas and standard size nylon bristles on opposite end.

**Toothbrush Style Nylon Bristle Part #272**

7" long, 7/16" wide black plastic brush with 1/2" long bristles. Multi purpose brush.

GLIPTONE®  
PAINT CORRECTION

**Precision Cut, GT23608 - 8 oz.  
GT23632 - 32 oz. • GT23601 - 1 gal.**

Precision Cut effectively removes 2000+ grit sand marks from fresh and factory cured paints. Extremely effective in paint correction process for removing moderate scratching, paint defects and oxidation. Excellent results are achieved by rotary buffer or dual action polisher. Engineered for use with wool, foam or microfiber pads. Only a small amount of product is required to achieve outstanding results.

**Precision Cut HD, GT23008 - 8 oz.  
GT23032 - 32 oz. • GT23001 - 1 gal.**

Precision Cut HD effectively removes 1500+ grit sand marks from fresh and factory cured paints. Extremely effective in paint correction process for removing heavy scratching, paint defects and oxidation. Excellent results are achieved by rotary buffer or dual action polisher. Engineered for use with wool, foam or microfiber pads. Only a small amount of product is required to achieve outstanding results.

**Extreme Buff Clear  
GT22132 - 32 oz. • GT22101 - 1 gal.**

A water based, silicone free compound that will remove extra heavy scratches, paint defects and oxidation. Using synthetic abrasive technology, Extreme Buff Clear will restore clear coats to their original high gloss finish. Can be used by hand, orbital buffer, or variable speed polisher with foam or wool pads.

**Precision Finish, GT23408 - 8 oz.  
GT23432 - 32 oz. • GT23401 - 1 gal.**

Precision Finish contains no fillers and effectively removes, not hides, micro fine scratches, swirls and holograms. The perfect paint correction finish step to produce flawless perfection and paint clarity. For use with foam or microfiber pads and DA polisher. Also very effective with rotary at low speed with finishing foam.

**Orange Heavy Cut Compounding**  
GT9682 - 6.5" x 7/8" • GT9582 - 5.5" x 7/8"  
**Burgundy Cutting/Compounding**  
GT9672 - 6.5" x 7/8" • GT9572 - 5.5" x 7/8"  
**Red Finishing**  
GT9621 - 6.5" x 7/8" • GT9521 - 5.5" x 7/8"

**7 Seconds!**  
The best way to clean your pads...guaranteed.

**Gliptone® Grit Guard Universal Pad Washer GT9509**

The Grit Guard Universal Pad Washer conditions, cleans & dries any type of buffer or polishing pad. The Universal Pad Washer extracts contaminants from your polishing pads while prolonging their life, which saves you money. The Universal Pad Washer works on foam pads, wool pads, buffing balls, buffing bonnets, felt discs, felt flap wheels, microfiber applicators, and more.

# GLIPTONE®

## Compounding/Polishing Pads

### Open Cell/Foam Curved Edge Pads Velcro™

Each of the five contoured edge pads are designed for specialized use. Each allows for use near difficult areas including contoured body lines, trim and mirrors.

**CH930G** Yellow, 50 ppi cutting foam. Ideal for a light cut.

**CH940G** Green, 60 ppi one step cutting/polishing pad.

**CH950G** Blue, 70 ppi final step finishing foam.

### Cutting Wool Pad - Velcro™ CH175V

Fully washable, Velcro™  
100% wool, 1-1/2" twisted pile.  
Height 7-1/2" diameter.

### Cutting Foam Pad

White foam pad with convoluted, waffle bottom surface, coarse grade foam ideal for paint leveling.

#### GT9733 (1pad/pack)

Recessed back with rounded up sides

**GT9720 (2pads/pack)** flat back

### Polishing Foam Pad

Black finishing foam pad features a convoluted (waffle) bottom surface.

#### GT9735 (1pad/pack)

Recessed back with rounded up sides

**GT9725 (2pads/pack)** flat back

### **Muscle Foam, GT76118**

Features an inverted valve allowing can to spray effectively upside down. Powerful dirt lifting and cleaning action for carpets and upholstery.

### **Fabric Top Cleaner, GT76419**

Safe and effective on "rag top" and interior fabric surfaces. Features standard upright spray valve and can be substituted for "Muscle Foam" when an upright valve is preferred.

### **Citrus Magic, CIT-19**

Foaming aerosol cleaner great for headliners, vertical surfaces and removing scuffs from hard plastic surfaces.

### **Shineola® Max - Vent Magic, GT76714**

Restores, preserves and beautifies air conditioning vents, door jambs, front grills and most all other vinyl and plastic trim parts. Resists oxidation and the natural aging process. Safe, non-staining formula, although not for use on Lexan or Styrenated plastics. Features a pleasant cherry scent.

### Glass Cleaner

**GT76919 19oz. 12/case**

This ammonia free product, quickly and easily removes road grime, bug, fingerprints and more. The thick foam clings to the surface and doesn't run or drip onto paint or interior surfaces. Safe for tinted windows. Leaves windows streak free and grease free.

### Glass Cleaner HD

**Heavy Duty, non-ammoniated**

**GT73819 18 oz. 12/case**

This formula contains an added boost of cleaning agents and premium foaming action to safely and effectively dissolve bugs, tree sap, road film and nicotine buildup. Will not haze or streak. Safe to use on tinted glass.

### Miracle Shine

**GT75811 11oz. 12/case**

Easy access to hard to reach areas with this convenient spray. Get a high gloss shine and protection without the use of silicone. Body Shop Friendly. Can be used on vinyl interiors and also for exterior use on tires, bumpers, body moldings and engine compartments.

### Vandal & Scuff Remover

**GT79015 15oz. 12/case**

This remover reduces labor involved in deleting graffiti and other markings. Removes marks created by crayon, pencil, inks, spray paints, tape, waxes and lipstick. Eliminates scuff marks from floors and walls. Formulated for use on brick, tile, steel, brass, chrome, aluminum, glass, formica and other hard surfaces.

### Adhesive Remover, Surface Solvent

**GT14032 Quart, GT14001 Gal.,  
GT14005 5 Gal., GT14055 55 Gal.**

Adhesive Remover safely and effectively eliminates residue such as: glue from bumper stickers, stripe and molding adhesive and tar from all clear coat paint surfaces. Great for use on glass and chrome.

# GT QUARTZ™ MARKETING MATERIALS

**Gliptone®** recognizes that many detailers reading this catalog are masters at their craft; However, they may lack the expertise, or time, to merchandise and market their business. The following pages represent some impressive, **GT QUARTZ™** artwork and marketing tools that can help promote your affiliation with **Gliptone's GT Quartz** program and immediately elevate your image of quality and professionalism. We are constantly adding to this range and finding ways to improve marketing support to our network of **GT Quartz Authorized Application Centers**.

All artwork shown on the following pages, is available in the sizes noted, or can be customized to fit your space requirements. You can also add your company logo to any of our menu boards. Contact our marketing department with any questions or comments.

"The best way to predict the future is to create it."

*Peter Drucker*

# GT QUARTZ™ Menu Boards
