

SEMA 2023

NEW PRODUCT SHOWCASE

WATERLESS WASH

WATERLESS WASH contains advanced chemistry that lifts dirt and grime, preventing scratching. Cleans light soiling while enhancing gloss and surface slickness. It is a great maintenance product for every type of car and truck.

Item# GT5816 16 Fl. Oz. (473ml)

CERAMIC LIQUA-GEL™

CERAMIC LIQUA-GEL is a super-hydrophobic and durable SIO2 surface coating. It provides mild cleaning action and extreme gloss while creating a super slick, long-lasting coating with a barrier resistant to debris and the elements.

Item# GT3416 16 Fl. Oz. (473ml)

CERAMIC PASTE WAX

CERAMIC PASTE WAX brings our flagship carnauba paste wax into the 21st century and beyond! Combining the latest in nanotechnology and our famous original Brazilian Carnauba Paste Wax, we created a product that provides amazing durability, gloss, and hydrophobic properties.

Item# GT3808 8 Oz.
